- education and training
- housing

- health
- any other issues

We also provide talks to local community groups about benefits.

## Who our service is for

The Welfare Rights Linkworker (Arabic) Service is unique because it is provided for members of the Arabic speaking community within Salford.

The Welfare Rights Linkworker (Arabic) covers the whole of Salford and is there to assist you if you need to speak to someone about benefit or other problems in your own language.

## How we can help you

We can help you find out about the benefits, tax credits and other rights and entitlements you may have and advise on how to claim them. We can help you challenge decisions on these and represent you at an appeal tribunal about your benefit entitlements or tax credits entitlements.
