Introduction

This directory is intended to be a comprehensive guide to community activity in the Little Hulton and Walkden area. It also lists Council and other organisations that offer facilities, advice and support for the community in general. Some are city-wide, but are still relevant to our area.

We've made it as simple as possible by laying out the contents in alphabetical order of activities and organisations. At the back, is an index of all those included in the directory.

We hope this guide provides a valuable resource for all those who make use of it*.

Forward

Welcome

It is my pleasure to write this forward for the Little Hulton and Walkden Community Directory.

Inside is a wealth of information on local services and facilities, as well as a guide to the many community groups in our area.

The vast number of these groups and their varied activities is testimony to the local residents who give up their spare time in order to help their community. Their enthusiasm and skill in their volunteering is what binds the neighbourhood together, and creates the wonderful community spirit we have here.

I hope you will use this directory regularly to dip in and out of, and find it of benefit to you.

Sylvia Phillips

Chair

Little Hulton and Walkden Community Committee
