Want to take control of your health and learn how to value yourself?

Sign up for our **free** Self Care for You Course.

Over seven 90 minute sessions, we will encourage, motivate and empower you to be an active carer of yourself and promote self care to others.

The course will help you look at ways of keeping a healthy lifestyle and gives you all the skills you need to make lasting changes in your life. The groups are run in friendly non formal settings and are facilitated by our qualified trainers.

We have already helped lots of people in Salford so join up and you could really make a difference to the quality of your life.

Tuesday 8th February 2011 at 1.30pm
Cadishead Community Church, 112 Liverpool Road, Cadishead, M44 5AN

To find out more or register for you free place today contact the Self Care Education Team on 0161 848 0918 or email Selfcare.education@salford.nhs.uk

Irlam & Cadishead Agewell Group

For the past 20 years the Irlam & Cadishead Agewell group has held an exercise class for people over 50 years of age. We have lots of fun along with the advantage of keeping fit. It is our treat of the week and we

are always full to capacity. Our instructor is from the keep fit association and her choice of dance music is very up to date.

The sessions run every Thursday 10.00am - 11.30am at Irlam Youth Centre.

Eleanor Attenborough - Treasurer, Irlam & Cadishead Agewell. Email: agewell.iandc@hotmail.co.uk

Irlam & Cadishead Healthy Heart Club

Salford Heart Care - Salford's own independent charity supporting heart patients, their carers and families, has opened a new healthy heart club for the people of Irlam & Cadishead.

Irlam & Cadishead Healthy Heart Club meets on alternate Fridays from 10am till 12 noon at Irlam Youth Centre, Fairhills Road (opposite Lidl). The branch is funded by NHS Salford and Irlam & Cadishead Community Committee. Members attending the club can enjoy dancing, Tai Chi, holistic therapies such as back & shoulder massage, Reiki and relaxation, gentle exercise, indoor games, weight management & healthy eating advice, or just a 'cuppa and a chat!

Everyone welcome! Sessions will be held at Irlam Youth Centre from 10am - 12noon on:

- Friday 14th & 28th January 2011
- Friday 11th & 25th February 2011
- Friday 11th & 25th March 2011

Contact Serena Rice at Salford Heart Care on 0161 707 7402 for more information.

Do you remember when ...?

Does your group work with people in the local area? Would you like to run a project that could help bring the community together and create local pride? A heritage project could do this in a fun and creative way.

Salford has received less HLF funding than other areas in the North West so we are working with the neighbourhood teams in Salford to encourage more applications.

Salford's heritage is not all industry and Eccles Cakes, it was the first borough in England to establish a public library, museum and art gallery, and has a strong rugby-league tradition. It boasts over 270 listed buildings, as well as important natural heritage sites such as Chat Moss and a large number of public parks.

Whichever aspect of Salford's heritage you choose to explore, we want to hear from you. Our Development Officer Iain Kinnear will be available at Irlam Council Offices (Astley Road) for anyone wishing to talk about potential projects on **Thursday 3rd February 2011** between 4.00 - 6.00pm.

To let Iain know you would like to pop in please call on 0161 831 0850 or email iaink@hlf.org.uk. You can also visit our website at www.hlf.org.uk where you will find loads of information about us.

Living well with dementia – in Irlam & Cadishead

Dementia Support Services, part of Age Concern Salford, has been providing support services to people who have memory problems and dementia for a number of years. A Carer Support Worker visits families to advise them about help, services and benefit entitlements and also to listen to their concerns. Other staff work directly with the people who have dementia, offering community-based friendship groups. Often people lose confidence and become more withdrawn when they are worrying about their memory or when they have been given a diagnosis.

Dementia Support Services runs support groups at **Holly Court** to which anyone who is a family carer or has memory problems can come. They also run a Wednesday morning group for people who are still fit and well, despite their dementia. So far they have done walking, bowling, craft activities, bread-making, and armchair gardening – along with plenty of reminiscing, quizzes and chatting.

We also know that a Dementia Coffee Corner has just started at **Astley Court** and anyone is welcome to drop in there. **For further information please contact Sally Ferris on 0161 788 7700.**

Community clean-up St Paul's Church grounds

On Monday 11th October 2010 PCSO Mark Hutton organised a community clean-up event at St Paul's Church, Liverpool Road. The goal was to clear the land at the rear of the church, which has previously been left untouched for approximately 10 years so that eventually it can be used to host church and community events.

The area was leafleted with details of the event, help was also offered by Salford City Council and a local business Andy's Gardening Service.

On the day volunteers were on site from 8am and worked relentlessly throughout the day until 3pm to clear as much trees, shrubs, etc from the unused land, eventually filling 2 skips.

The day was a great success thanks to everyone's hard work.

Youth Work Week

On Friday the 29th October there was a celebration event that took place at Irlam & Cadishead Youth Centre.

On the night 65 young people attended the centre with lots of activities taking place that included fancy dress for Halloween, a sculpture art project, fun games, information stalls around issues that affect young people and arts & crafts.

Presentation of certificates were awarded to young people and food provided by the young people who have participated in the Friday night cooking programmes.

The young people who attended the evening enjoyed taking part in the activities with lots of participation. From this event young people have identified that they don't need to drink to have fun on a Friday evening.

Anthony Lord – Salford Youth Service

Youth Service

Shortly before the summer holidays, young people using the BMX Park raised their concerns to youth workers about the negative graffiti on the main BMX boards. The young people asked if it would be possible to design a more colourful display that could go up on the boards to help stop the problems.

The group also felt that a creative display of positive artwork would help to reduce the negative reactions they have experienced from some members of the community and improve perceptions of young people on the BMX Park.

In response to the young peoples' concerns, youth workers supported the group to apply for funding from Youth Bank for a project during the summer. Their bid was successful and the group took part in a 6-week programme looking at anti social behaviour and its impact on the community through the development of the graffiti project in partnership with Unity Radio.

Workers used local books and photos of the area, from both the past and present, to help young people identify with their community and create images for the boards that reflected their own heritage. The celebration of 60 years of the Irlam and Cadishead Festival was also incorporated into the project.

The young people gained AQA Awards for their participation in the programme and the Graffiti Boards are now brightening up the BMX Park – with lots of positive responses from the community!

If you would like more information on how to get involved in activities with the Youth Service please contact Anthony Lord on 0161 775 3800 or 07530 528 798

Gale Blackburn - Ranger for Irlam and Cadishead Parks. Tel: 0161 6066735 Mob: 07968 314747 or email gale.blackburn@salford.gov.uk

Playdayz and Moss Vale Resident's Association

A Community clean up has been organised by the Playdayz Project as part of the City West Community Challenge Partnership

Working together to clean up Moss Vale Estate, a large group of children, parents and community staff, PCSO Matt Turner and Natalie Robinson from City West Housing Trust walked around the Moss Vale Estate collecting rubbish and litter picking. A community lunch was enjoyed by everyone after 15 bags of rubbish were collected. The day was a great success and another day is planned in the near future.

For more information contact Beverley Slater Playdayz Coordinator on 07973 310 351

Highways

Hello, my name is Richard Goodwin, Urban Vision's Network Recovery Director. I'm relatively new here at Urban Vision so I wanted to take this opportunity to introduce myself and tell you a little more about my role and the plans for Salford's Highway Network.

My principal role at Urban Vision is to devise and implement a plan to get Salford's Highways into a good and sustainable condition. I have been working closely with Urban Vision's Highway's Team and Councillor Antrobus, Lead Member for Planning, to develop a Network Recovery Plan to tackle the backlog of Highway Maintenance repairs.

The Network Recovery Programme

The Network Recovery Plan aims to repair the current backlog of outstanding potholes and to stop further deterioration on Salford's roads.

The general aim is to move from a reactive maintenance regime to a more planned programme. Based on the priorities set by the Council, the repair backlog of all potholes in Salford will be completed by early February 2011.

Urban Vision's Highway's Team have put an immense amount of effort into achieving this and have used a range of innovative repair techniques to produce cheaper and longer lasting pot hole repairs. Examples of these techniques include:

- Infra-red Re-cycling
- Jet Patching - using a site based mixing process with the materials laid using compressed air
- The use of Epoxy Materials

Urban Vision has been resurfacing as many roads as possible in 2010 to provide a new running surface over the old bitumen road surface (which is prone to develop potholes).

Key Highway Maintenance Information for Irlam and Cadishead:

Roads Resurfaced in Irlam/Cadishead in 2010.

Binsley Close, Buckingham Road, Calder Avenue, Cumberland Avenue, Cutnook Lane, Elsinore Avenue, Lancaster Road, Langford Road, Lords Street, Lyndhurst Avenue, Lyndon Road, Merlin Road, Moss Side Road, Platts Drive, Prospect Road, Royden Avenue, Russell Drive, Sandy Lane, School Lane, Silver Street, Silverdale Avenue, Springfield Lane, Stuart Avenue

Total Amount of Highway Defects Repaired in Irlam and Cadishead in 2010 - 894 (figure calculated from 1st January - 1st December 2010)

Resurfacing Works planned in Irlam and Cadishead for January 2011 - Fairhills Road in Irlam. Works due to Start on 29th of January 2011, lasting approximately 2 weeks.

Lower Irlam Crime Prevention Day - 27 Nov 2010

Despite the inclement weather, several of the areas Home Watch Co-ordinators and members of the public turned out to assist PCSO's Mark Fitzgerald and Phil Elliott in ensuring that every home on the Sandiwarps / Townsgate Way estate received the latest crime prevention leaflet.

The presence of the Mobile Police Station at various key locations throughout the estate proved also to be a great success. A good number of local residents took the opportunity to approach the PCSO's with regard to personal and home security in the run up to the Christmas period.

Home Watch members also clubbed together to pay for a mobile phone and credit for PCSO Mark Fitzgerald's use. He commented "I hope to be able to use this phone in the fight against crime as well as further increasing active local community engagement. I will text all members when on duty with my shift times and the members will be able to phone/text me with any suspicious sighting during my tour of duty".

And finally similar crime prevention initiatives last year reduced burglaries on the estate by 80%. It is hoped this year's event will go some way towards mirroring that success.

For more information contact PCSO Mark Fitzgerald

Fit City Irlam Swimming Pool Development

The eagerly awaited development at Fit City Irlam Pool is shortly to become a reality. The 'new look' facility will boast the following:

- Sports hall (four court)
- Squash court
- Dry side changing facilities
- Extension to the existing Fitness Suite
- Activity Room
- Outdoor changing rooms
- Full access for people with disabilities – including lift to first floor
- Additional pool entrance for groups / lessons
- Additional car parking bays

The benefits from these additions allow more family friendly / co-ordinated activities to take place. There is more of an opportunity to cater for every age group – at the same time. We will be able to add new sessions to the leisure programme, as well as expand on the existing ones.

The sports hall will cater for football, basketball, netball, trampolining, gymnastics, aerobic sessions and sports courses... to name but a few. There is also scope to use the facility as a venue for parties, meetings and events. As well as the emphasis on sporting activity, a strong focus has been placed upon how local community groups can make use of this fantastic resource.

The extension to the Fitness suite will, I'm sure, please all existing members – and hopefully entice new ones. The introduction of larger and more comfortable changing areas for users of the fitness suite and sports hall will be a hugely welcomed feature. On the 'wet side' a new entrance for those on swimming lessons, school or private, will enhance the current access to the pool.

Finally, new outdoor changing (and showering) facilities will be added for teams using the pitches on Prince's Park. This is something that has been long awaited and will be gratefully received.

Work on the facility is due to start March / April 2011 and will take approximately 37 weeks. The aim is to cause as little disruption to customers as possible during this time. The swimming pool – for the most part – will not be affected.

Information / briefing sessions will be set up by the team at Fit City Irlam. These sessions will include plans of the development, timescales of work, expected disruption to the service – as well as information on the additional services to be provided once all work is complete.

**If you have any concerns / comments and would like to speak to someone prior to these public briefings, please contact: Dawn Williams - Neighbourhood Sport & Leisure Manager for Irlam and Cadishead
dawn.williams@scll.co.uk**

St. Mary's Parish, Cadishead

Greetings! My name is Rev. Audrey Kay, and I am the new Vicar of St. Mary's

Parish, Cadishead, and also Chaplain to Salford City Academy. My husband and I are settling in, but there is so much to do and learn! - the surrounding area is very pretty, with lots to explore. We had never heard of Cadishead until we came to a service here in May, while I was exploring my next Parish.

I am originally from Bolton, but moved to Radcliffe in 1981 when I got married. Its quite difficult leaving behind all that was familiar - with friends and family close by. It's easy to feel detached, but there are some lovely people here and we have been made very welcome.

Salford Mental Health Forum Press Release

Salford Mental Health Forum exists to provide a space for service users, ex service users, and their carers to share experiences with a view to having a say in the planning and provision of mental health services in Salford through consultation and involvement. The Forum aims to discuss issues relevant to mental health and reduce the stigma associated with mental health problems. It also looks to promote dignity of difference for individuals and groups of diversity.

We are looking for Salford Mental Health Service Users, Ex Service Users and Carers to get involved in this independent mental health Forum to share their views and experiences.

For further information please contact the Forum on **07733 270 942** between 9am – 5pm or come along to a meeting.

Meeting dates for 2011 are as follows:

- **Wednesday 26th January 2011**
- **Wednesday 23rd February 2011**

Meetings are held on the last Wednesday of the month, from 12noon - 2pm at Pendleton Gateway.

We know you still have lots of questions and we're here to support you in any way that we can.

Coffee mornings at the Tiger Moth pub

Wednesdays and Thursdays
9.00am -12.00pm

Pop in for coffee and cake, meet up with neighbours and get advice and support from a range of agencies.

You can also contact the City West housing office on **0161 605 7240** or your Neighbourhood Management team on **0161 606 6778**.

Brought to you by 'Better off in Irlam and Cadishead'.

Partners IN Salford

Prince's Park Amphitheatre

With regards to the installation of the amphitheatre at Prince's Park, the following process has taken place.

Consultation undertaken as part of the Master Planning Process identified an amphitheatre as being a desired facility for the local community.

In order to determine the design of the facility a group consisting of Ward Councillors, Friends of Irlam & Cadishead Parks, Irlam & Cadishead Community Committee, Irlam & Cadishead Neighbourhood Management Team, the Police, Prince's Park Garden Centre, Community, Health and Social Care, the Environment Directorate and local residents was set up which resulted in an agreed design of the facility.

The design consists of the following:-

- **Natural bowl as opposed to any built structure;**
- **Stage area consisting of a cellular paving grid system and drainage;**
- **1 metre wide path extension to be installed from the entrance at Winskill Road to the stage area;**
- **The installation of a vehicular access gate including anti motor bike access at Winskill Road**

It is anticipated that works will commence in February 2011 and will be completed in late March/ early April
