The successful **Metroshuttle Free City Centre Bus Service** has been expanded to **three** circular routes, as outlined in this leaflet, covering all of the main city centre areas.

The latest addition - Metroshuttle 3 - also extends to Salford City Rail Station and encompasses the Spinningfields development. Metroshuttle operates with low-floor, easy access buses with a frequency of about

- every 5 minutes** on **Service 1** (orange)
- every 10 minutes** on **Service 2** (green)
- every 10 minutes** on **Service 3** (purple)

Metroshuttle links all of the city centre railway stations, the main NCP car parks, and many bus stops and Metrolink tram stops.

So whether you travel into the city to work, shop or for leisure use the FREE CITY CENTRE BUS to get around – hopping on and off as often as you wish.
