Community Committee meeting

The last Irlam and Cadishead Community Committee, held on 17th January, 2008, was once again well received and those who attended were provided with an assortment of updates regarding local issues and services.

Sgt John Rowson delivered a policing update for the area and discussed crime patterns and concerns for the area. Questions were also invited from attendees.

Bernie Vaudrey, Strategic Manager, Salford City Council, provided an interesting update of the Liverpool Road developments and explained the current stage of the project and highlighted that the future progress of the development needs to ensure that the involvement of local people is maintained.

The following people attended and provided information about the services they were running in Salford;-

- Karen Lucas, Senior Scrutiny Support Officer, explained that a small piece of work had recently started called Street Scene, which involved a group of people from the local community working together to identify and resolve issues that affected the local community. Local people have the opportunity to become involved with this and anybody who wished to join the group was encouraged to do so by telephone **0161 793 3515/3538** or email **scrutiny.support@salford.gov.uk** for further details.
- Kate Morley, from Groundwork Trust, an environmental charity, explained that a project was being delivered in the Salford area aimed at informing people about how they can save energy and money. Anyone who wishes to become involved

in the scheme or find out more details, could contact Kate on **0161 220 1000** or **kate.morley@groundwork.org.uk**

- Chris Sabinsky from Sure Start Salford, provided information about Sure Start and how local people could become involved in the scheme through volunteering. Chris also highlighted the services that Sure Start offered if anyone felt that they would benefit from the service. Surestart Salford could be contact by phoning **0161 703 7577** or email at **salford.surestart@salford.gov.uk**

For more detailed information about Community Committee business, full copies of the minutes are available in local libraries and online.

'Marge & Steel' Marking the gateway into Salford

The design of the artwork is based on an idea developed by artists Liam Curtin and Marcela Livingston with local people, who were asked about their connections to Irlam & Cadishead

Children wanted a modern superhero theme and adults talked about the steel and margarine works that existed here and the tea dances that they enjoyed. These ideas were combined to create the characters Marge & Steel, dancing together to portray the connection between these two industries which forged people's lives together in I&C.

The implementation of 'Marge & Steel' on this roundabout, the gateway into Salford from Warrington, is the first of many improvements planned for the regeneration of Liverpool Rod, funded by the Neighbourhood Renewal Fund.

The interpretation sign has been funded by I&C Community Committee.

Marge & Steel * * *

(Created together with Mike Garry and retired workers from both industries)

Let's dance the tango on the roundabout;
Hold your partner close to feel what is real.
The hands of time have beaten the coal fires out;
Goodbye and God bless to old Marge and Steel.

The world keeps spinning, but we don't feel
The hidden force that hurls mankind about.
Music and movement makes us feel real,
Let's dance the tango on the roundabout.

A male voice choir sing harmonies out,
Women in hats ride to work on two wheels.
An industrial unity was never in doubt,
Hold your partner close to feel what is real.

These dancing feet have no Achilles heel,
They keep us warm as we dance in and out.
Love lasts forever unlike Marge and Steel, where
The hands of time have beaten the coal fires out.

A tango, a turn, a twist and a shout;
The joy of this dance can not be concealed.
Whenever you travel on the roundabout wave
Goodbye and God bless to old Marge and Steel.

New trades, new skills, new crafts are revealed;
Seeds of new industries starting to sprout.
The warmth of a new sun is what I can feel,
Opportunities for the children is what it's about.

Let's dance the tango.

complete with a soft play area. Everyone is very pleased with the finished area especially the children.

Seamus Ennis along with members of Bovis Lend Lease, Barton Square, came to an opening ceremony at the school. The children presented them with thank you gifts of framed drawings of the work in progress.

Thank you to a local firm - Jim Ennis Construction Ltd.

From everyone at St Joseph the Worker RC Primary School, Cutnook Lane, Irlam

The school has benefited from a community scheme organised by Bovis Lend Lease Ltd. A local firm, Ennis Construction generously provided equipment, expertise and time to develop a garden/play area for the school and possible community use.

Ennis Construction worked very hard to transform a derelict and overgrown area into a play garden

Mental Health in Salford

My name is Clare Mayo and I am the User Development Worker for Mental Health in Salford. This means that I support mental health service users and their carers to have a say on the Salford Mental Health Partnership Board. The Salford Mental Health Partnership Board is a group of people who monitor how well the mental health services are doing, and make decisions on which mental health services should be purchased to meet the needs of Salford residents.

There are lots of ways that you could make sure that your views are heard and your involvement can be big or small. If you want to know more about the Partnership Board, or you would like me to come along to your group to explain how you could get involved, please get in touch on: 0161 603 4406 or email me at: clare.mayo@salford.gov.uk.

Prince's Park Amphitheatre

The Master Plan for Prince's Park is now into its fifth year, the following projects have been completed which have made a significant impact to the park.

- Improvements to the George Thomas play area
- A BMX skate park
- Footpath improvements
- New access controls at Highbury Avenue
- A new footpath link from Highbury Avenue into the park
- Public toilets
- Refurbishment of the tennis courts

We are now looking at further improvements to the Park and one of the suggestions put forward is the construction of an Amphitheatre which would

be located on the grass area adjacent to the old river course. This of course is dependent on funding becoming available.

An amphitheatre is suited for seating people on a sloping area for the viewing of spectator sports, games, concerts, displays, rallies, or theatrical performances. **Events held within an Amphitheatre could include the following:**

Dance • Debates • Dog shows Fashion shows • Jazz bands Karaoke • Keep fit • Light shows Magic shows • Plays • Pop/rock music • Sing-a-longs Speakers • Story telling • Tai Chi • Theatrical performances Talent shows

Could you please e-mail any comments or suggestions to steve.jones@salford.gov.uk

Here are three examples of amphitheatres.

The Irlam Rotary Corner

Welcome, kind readers,

As ever, numerous organisations helped with our Christmas street collections, which raised over £3700.00 for our Charity Fund. On the 31st January, we were pleased to invite their representatives to join our Club meeting. Donations from our fund were presented to 1st Cadishead Scouts, 2nd Irlam Scouts, 1st Hollins Green Scouts, Irlam Probus Club, Irlam Male Voice Choir, Irlam Cricket Club, Rixton with Glazebrook Bowling Club, Friends of Hollins Green School, Rixton Pre-School Club and the Salford Sailing Group. On the same evening, members of our club were delighted to accompany a team of three pupils from Irlam & Cadishead Community High School to the Rotary 'Youth Speaks' competition; held this year at Statham Lodge. The team (probably the youngest in the competition) gave a very creditable overview of the pro's and con's of Computer Games. Some two weeks earlier, as a rehearsal, the pupils visited our Club Meeting and tested their debating skills on our members. We were all amazed at the depth of knowledge and reasoning that they displayed.

STOP PRESS: The new School Library at St. Joseph's (see our Winter 2007 Newsletter) was opened on February 5th: Yes! The Rotary Club of Irlam is supporting our Youth!

Wednesday 6th February (at the Irlam Steel Club), was our annual quiz night. With 14 teams entered, the event was sponsored by Stephanie of Butterfly's Florists, Cadishead. Stephanie presented the trophy to winners the 'Cons Crew' who screwed (?) 'Terry's Tearaways' into second place; closely followed by 'Badgers Drift' and 'Misfits One' in joint third place. As ever, a superb evening was enjoyed by all. Nearly £400 was raised for our International Charities!

Irlam's Pauline Daniels has just completed her year of office as the Chairman of Inner Wheel District 128. Pauline's chosen Charity was the North West Air Ambulance. In acknowledgment of Donations received, the Helicopter carried the Inner Wheel District Emblem for both the months of January and February.

Don't Forget! At 7:00pm on St Georges Day; Wednesday 23rd April, our Inner Wheel Club are holding a Concert at the Formby Hall, Atherton; featuring the Greater Manchester Police Band. Proceeds are for the Irlam, Cadishead and District Handicapped Persons Group and the Prostate Cancer Charity.

Tickets at £8 each are available from President Pauline on 0161-775 2186.

If you have access to the Internet, please visit www.irlam.net which we are proud to sponsor. If you wish to see more pictures of our events - they're there for all to see!

St. John's Centre

St. John's Centre in Fiddler's lane is an outpost of St. John's Church. Downstairs, we have a large meeting room (seating up to around 40) and kitchen facilities, upstairs there are offices (used by ICY/ a Youth Project and by an aromatherapist) and a small meeting room. One of these rooms is vacant, and the room downstairs is also free at times.

Whilst the building has to pay its way, it is also important to us that its facilities are used to the benefit of the community. So, if our facilities could be useful to you, then please contact Rev. David Wheeler on 775 2461

Eccles Connexions Centre 15 Southway, Eccles M30 0LJ

Welcome to The Connexions Service in Irlam

The Connexions Service in Salford provides a quality and impartial advice and guidance service to young people between the ages of 13 – 19 (up to the age of 25 for young people with learning difficulties or disabilities).

We provide a weekly drop-in session at Irlam Youth Centre (The Edge). The Youth Centre is central and accessible to the Irlam and Cadishead area and enables young people to be supported in an informal manner on a one to one basis.

As a Youth Support Service, our aim is to help young people make the most of their potential by providing support in finding suitable opportunities; should that be Employment, Work Based Training, Further Education or perhaps Personal Development Opportunities, such as work experience. We empower Young People to overcome any barriers in gaining these opportunities, for example, by giving specific support on issues that may affect their life.

Outreach Provision in IRLAM Opening Hours: Monday 1.00 - 4.00pm

If you are a young person and feel you need support, or the parent or carer of a young person who you feel could benefit from the service, then please come and visit us. There is no appointment necessary and our staff Sharon Owen and Hayley Whitehead will be only too pleased to help and advise.

The Edge, Irlam Youth Centre, Fairhills Road, Irlam For more information please contact: 0161 788 7057

Irlam Women's Institute

In 1989 Irlam Women's Institute began life in Irlam, in a small way with a group of 14 ladies, and has grown over the years. The venue is Cadishead Wesley Church Hall, Lords St, Cadishead. Meetings are held every third Monday in the month at 7:30pm.

Irlam WI have quietly achieved many things (they are not just Jam and Jerusalem) and the organisation is none religious and none political.

Last year we held our second Osteoporosis Screening Day, which has proved successful for many ladies who are now receiving medical help for symptoms of Osteoporosis after detection.

Every year in June we have a lovely day at the Cheshire Show in Tarbley, Nr Knutsford. Some of our ladies display their talents such as craft work, needle craft, knitting, cake-making, painting, photography and many more skills. We enter just for fun and are usually lucky and come away with a 1st, 2nd, 3rd or commended certificates.

In 2007 we were awarded a 'Community Grant' which enables us to have 'Educational' days out. One of these days was a trip by coach to Chipping, nr Clitheroe to Leagram Organic Dairy Cheese farm, where we were shown the many processes of cheese making. We then went on to Skipton for a few hours free time. We have trips throughout the year to various places, shopping and boat trips, visits to stately homes and gardens.

We also have various speakers and demonstrations at our monthly meetings so you are welcome to come along and relax and enjoy whatever is going on, and of course, refreshments are served. It is a wonderful way to make friends.

Our next meeting is on Monday 27 March at 7:30pm with the topic being entitled 'Game for a Goose' by guest speaker being Mrs K L Bailey. The 21st April meetings topic is 'The True History of Chocolate' by guest speaker Michael E Clark.

I&C Youth Project (ICY)

The I.C.Y. Project was established from concerns raised by local workers and residents about the increasing incidents of anti-social behaviour by young people and to confront the need for direct work with identified young people and the lack of local youth activities.

The project works in partnership with Spurgeons Childcare, local community workers, Police, Salford drugs service and local schools to address some of the significant issues which I&C is facing in relation to juvenile nuisance. ICY aims to prevent young people from requiring intervention from statutory services by providing constructive alternatives.

In 2007, through PAYP funding, 175 young people took part in workshops and activities in I&C including DJing, fashion design, MCing, makeup design, fashion photography, break dancing, spray can art, street dance, T-shirt design and illustration. Working in conjunction with H.G.A. the young people provided a professional promotional DVD for ICY. Celebration days for parents and young people are to be arranged for the showing of this DVD.

More workshops and activities are currently being planned for 2008 – look out for details

For further information about ICY, please contact Jabba or Stacy on 0161 775 9973
