IN Salford

Irlam and Cadishead Local Directory 2004-2006

Foreword

By Councillor Joe Kean

As a local Councillor who has direct involvement with local link officers and the Community Committee, I realise that there are many Community groups and organisations in the Irlam and Cadishead area who are working really hard to organise activities, events, and celebrations that are of benefit to local people. In an age of computers, email and the Internet, the world of direct information and communication offers new challenges and opportunities. All too often local people who provide local services are forgotten. I trust this directory will be well used and help to improve services for community groups in the area.

CLLR. J. M. Kean.
