Mayor's Citizen Award

The Mayor of Salford 2009-2010, Councillor Roger Lightup, updated and relaunched the Mayor's Citizen Award at the beginning of his year of office.

People of any age can now be nominated, as long as they've made an outstanding contribution to the city of Salford. This is the only criteria. The contribution can be from quite a wide spectrum; it could be through services to industry, commerce, the community, the arts, entertainment, sport, education or to the welfare of others, either nationally or regionally.

The new look awards will be split into three categories:

- children
- community groups
- adults

A different category will run every month.

For more information and to see the list of dates when you can nominate for each category, visit www.salford.gov.uk/citizenaward (where you can also apply on line) or call the Mayor's office on 0161 793 3059.

Please return your completed nomination form to:

The Mayor's Parlour
Salford Civic Centre
Chorley Road
Swinton
Salford M27 5DA

Notes:

To be nominated for the Mayor's Citizen Award, the nominee has to have been born, live, work or have strong links to the city.

No nominee will receive less favourable treatment on the grounds of age, disability, employment status, ethnicity or national origin, gender, HIV status, sexuality or social class.

The Mayor and Mayoress will pick the winner each month and their decision will be final.
