3. Site Address Details

Please enter the same address of the site as stated on the decision notice, together with the full postcode or grid reference.

4. Pre-application Advice

The local authority may be able to offer (possibly for a fee) pre-application discussions before a formal application is submitted in order to guide applicants through the process. This can minimise delays later in processing the application.

Pre-application discussions can also help you and the planning authority identify areas of concern about your proposed development so that you can give consideration to amending your proposal before the application is submitted. The advice and guidance given to you at the pre-application stage is given in good faith. However, it does not guarantee or supply a definitive undertaking as to whether your proposal is likely to be acceptable.

If you have received pre-application advice from the planning service please indicate the reference/date of any correspondence or discussion and the name of the officer. If you do not know these details then please state '*Unknown*'.

This will assist the Council in dealing with your application as quickly as possible.

5. Description of Your Proposal

Please describe the development or works as shown on the original decision letter and clearly indicate the permission reference number and condition that you wish to discharge, remove or vary. It is essential that the number and description of the condition(s) to which this application relates are specified, so that no confusion arises.

6. Conditions(s) - Removal

If you wish the condition to be varied, please state how you wish the condition to be rephrased, eg you may wish to vary the hours of opening for your premises: '*variation to condition 3 to allow opening of the premises between 08.00 to 23.30 Monday to Fridays, 08.00 to 00.30 on Saturdays and 14.00 to 22.00 on Sundays*'.

7. Certificates ?? Are they needed?

8. Planning Application Requirements
