This map has been produced in accordance with PPS6: Development and Flood Risk and its associated guidance.

The data included on this map have been used for the flood risk mapping conducted for this SFRA. The data source credits are shown on page 7 of the Final Report. The map of known floodplain is sourced from: Environment Agency. The map of existing flood defences is sourced from: Environment Agency. The map of potential development sites is sourced from: Planning Authority.

The River Irwell includes: Victoria Station and Foremaster Island is not shown on a Blue River in the SFRA based on flood risk mapping undertaken for this SFRA. The name of the river Irwell has been taken from the name used on the Environment Agency’s Digital River Liner map.

The SFRA is only for the planning purposes of Manchester City, Salford and Trafford Councils and is not to be used for any other purpose.

The key should be quoted using the Definitive Text and Executive Text.
