Our core data protection obligations and commitments are set out in the council’s Privacy Notice and on our website at Data Protection legislation.

Service Name: Insurance Claims

This notice is to tell you how Salford City Council, as data controller will deal with your personal information, in relation to insurance claims. This notice is important and should be read by the person making the claim, or their representative if applicable, (in this notice referred to as “you”, “the claimant” or “the data subject”).

Salford City Council has adopted the lawful basis for the purposes of processing insurance claims, to be a legitimate interest.

Purpose(s)

In the case of insurance claims, the legitimate interest relates to both the claimant to process the claim and to Salford City Council to ascertain all the facts pertaining to the insurance claim, to determine liability or otherwise and to establish a defence to any potential legal claim arising.

Data submitted and retained for the purposes of insurance claims for these legitimate interests balance the rights of the claimant and Salford City Council.

Article 6(1) (F) of the General Data Protection Regulation (G.D.P.R.) states that data can be processed where such “processing is necessary for the purposes of the legitimate interest pursued by the controller or by a third party except where such interests are overridden by the interests or fundamental rights and freedoms of the data subject which require protection of personal data, in particular where the data subject is a child”.

For insurance claims where the claimant is under 16 years of age, the claimant’s parent or legal guardian must act on their behalf as the claimant’s nominated litigant friend. As litigant friend there is a duty is to protect the rights and interests of the claimant.

Categories of Personal Data

Salford City Council will only collect the personal information that we require to process your insurance claim. The type of personal information we collect includes basic personal information (i.e. name, address, National Insurance number and date of birth), and may include confidential medical information. Where you have requested other individuals be included in the arrangement, personal information about those individuals will also be retained for the purpose of processing your insurance claim.

Legal basis for processing

Information sharing/recipients

The data you provide will be processed in connection with your insurance claim against Salford City Council and for this purpose will be shared with the Council’s insurers and legal advisors to facilitate standard claims handling.

Salford City Council will not share your personal data, in relation to insurance claims, outside of the E.U.
Salford City Council is under a duty to protect the public funds it administers and therefore may use the data you provide in connection with this claim, for the prevention and detection of fraud. Subsequently Salford City Council may also share your data with regulatory bodies responsible for auditing or administering public funds and may be required to share your information with the police.

For this reason and for reasons which may arise as a result of insurance claim disputes, we will, with regard to your personal data:

- Retain all claim data for the last 7 years.
- Anonymise data fields that hold specific information that could identify an individual; unless the individual is below 21 at the date of anonymization (i.e. 7 years ago).
- Delete all claims over 12 years old
- Retain all records that have been flagged as potential abuse claims
- Retain all records where fraud is potentially identified (each client may have different ways of identifying these)
